

Dear Commissioners,

I have learned through recent news reports that Sinclair Broadcasting's is planning to air an anti-Kerry documentary in the run-up to the election... a remarkable example of the dangers of media consolidation and -- to me -- a flagrant violation of the requirement that broadcasters serve the public interest. This is also an incredible example of the dangers of media consolidation.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
